## **Membership Clerk – Darlene Henry**

I do membership every Friday from 1pm – 4:30pm, unfortunately Pauquachin currently does not have any status cards to issue, I have made a request for some, I will let community know once I receive them.

**Pauquachin First Nation: Response to May 6, 2019 potential firearm suspect at Pauquachin First Nation.**

On behalf of Chief and Council I would like to provide a brief statement of what occurred yesterday in regard to the police presence and road closure on West Saanich Rd between Pauquachin Lane and North Ridge Road. This occurred in the afternoon around 4:35 and 7:00pm.

A report had been made to 911 stating someone was seen walking up and down the area above with a rifle, looking for someone as a result of a personal dispute.

The RCMP responded with support from the Central Saanich Police. The road was closed, and the area was searched to find this person or to confirm that the person was no longer in the community and that there was not risk to PFN members.

Just before 7:00pm the RCMP concluded the search and opened the road to community and traffic. I remained at the Administration building and received the update above from the RCMP.

Chief and Council did NOT have any information to share, as during an incident the RCMP do not release information, they simply state that everyone should stay inside and away from the area.

Should there be any other incidents that require a RCMP presence please follow the guidelines below for your safety.

\*\*\*\*\*

When there **is** a potential for a threat, such as firearms or some other hazard, please **"shelter in place."** STAY INSIDE with your doors locked".

This is done to keep you as **safe** as possible while indoors during an emergency event. ... Bring everyone into your home(**shelter-in-place**), **secure** by locking the doors and stay away from windows, until the threat has passed.

Where ever possible Chief and Council or I will share as much information as possible.

Please contact me if you have additional concerns.

Respectfully

Susan Miller, Administrator
